HS122M.030

Specials, Oblique standoff .060" shear cutter

PRODUCT DETAILS

- 45° angle provides good lead visibility without limiting lead length
- Standard standoff is 0.060"; other lengths can be ordered
- To order a length other than 0.060", state the lead length as a suffix to the product code (for example, HS122M-080 for a standoff of 0.080")
- Tool length: 6.5 in.
- 165.1 mm
- Illustration shows HS series handles
- ESD Safe
