

# Torque Screwdriver Kit

TSK505, a tailor made service case for mobile users within the electronics field.

This new kit specifically targets users of Lindstrom Torque Screwdrivers. The variety of applications within the electronics industry requires that the users have access to a well formed range of accessories. Ideal for field service work, the TSK505 contains a comprehensive selection of bits in a practical box for use with Lindstrom's torque screwdrivers.

Within the case, a compartment provides space for one torque screwdriver. The screwdriver must be ordered separately. This gives flexibility for the user to choose any of the ten Lindstrom torque screwdrivers presented below.

More information about the Lindstrom torque screwdrivers can be found on [www.lindstromtools.com](http://www.lindstromtools.com)

Product code	Capacity Ncm/in.ozs/in.lbs	 *
