

HS122M

Specials, Oblique Standoff Shear Cutter

PRODUCT DETAILS

- 45° angle offers good lead visibility, does not limit lead length
- Standard standoff is .060" & can be ordered in other lengths
- To order other than .060" indicate lead length as a suffix to the product code (example HS122M-080 for a stand-off of .080")
- Tool length: 6.5 in.
- 165.1 mm
- Picture shows HS Series handles
